

### **REMARKS**

Claim 1 is pending in this application. Claim 1 has been amended. The amendments are supported by the specification and the claims as originally filed. No new matter has been added.

Applicants thank the Examiner for the indication that claim 1 contains allowable subject matter (Office Action, pages 2-3, paragraphs 4 and 5).

Applicants also thank the Examiner for the suggestion to insert "therebetween" after "distances" in line 13 of claim 1. While Applicants respectfully submit that such an amendment is not necessary to clarify claim 1, Applicants have amended claim 1 as suggested in order to expedite prosecution.

Claim 1 was rejected under 35 U.S.C. § 112, second paragraph, as indefinite. Applicants respectfully submit that this rejection is overcome with the amendments to claim 1. In view of amended claim 1, Applicants respectfully request reconsideration and withdrawal of the rejection of claim 1 under 35 U.S.C. § 112, second paragraph.

Applicants respectfully submit that this application is in condition for allowance and such action is earnestly solicited. If the Examiner believes that anything further is desirable in order to place this application in even better condition for allowance, the Examiner is requested to contact Applicants' undersigned representative at the telephone number listed below to discuss any remaining issues.

In the event that this paper is not considered to have been timely filed, the Applicants respectfully petition for an appropriate extension of time. Please charge any fee deficiency or credit any overpayment to Deposit Account No. 01-2300, **referencing attorney docket number 107348-00391.**
